Membership/Renewal Application for the Theosophical Society Deerfield Beach Branch
SPECIAL RATE FOR 2026 ~ $26

Local communities offer various assets that are not available while living in separation, especially during times of great upheaval. One chief value of Theosophical Society membership is that friendships form, increasing cooperative efforts led by great spiritual and temporal force, for the helping and guiding of humanity. Among other benefits, local (Branch) members can secure many free digital books on theosophical subjects. All National members of the Theosophical Society are eligible for membership in our local Branch. Branch dues are only $26 for the year 2026 (normally $36.00 a year) and can be sent to the address listed above. Our membership year is from May 1st to April 30th of the following year. Financial assistance for any membership fees may be available upon request to participating members. To become a member or renew membership, please fill out and return the form below with your payment. Visit the website above to partake of many online resources.

We look forward to your participation as a member, joining us in our commitment to theosophical principles, and in making our world a more life-affirming place to live. If you are not a National Member of the Theosophical Society you can download an application from: http://Theosophical.org.

We operate entirely by donations. They help us with operating expenses such as maintaining our Website and securing class space, and to continue our work of spreading the message of theosophy. All donations are tax deductible under the U.S. Internal Revenue Code, section 501(c) (3) so please consider a donation. Thank you.
